Dear customer,

The following products of our product range are discontinued with immediate effect. In case of demands please send us your last order up to the date as mentioned below and/or change to another product.

As a possible RAFI alternative, there is a signal lamp with BA9s socket in the same mounting hole 16.2mm. The difference is in the rear connection and the installation depth.

The housing for the signal lamp with BA9s lamp socket 1.63.004.100/0000 can be found here:

Please note that RAFI can no longer guarantee availability. A pre-supplier must stop production of an assembly part in the near future.

Ein Vorlieferant muss die Produktion einer Baugruppe in Kürze einstellen.

In case of questions or demands do not hesitate to contact the known RAFI contact person.

Please forward this important information also to other responsible departments in your company.

We thank you for the trust you have placed in us and our products and look forward to further cooperation with you.

Best regards,

Product Management
